STANDARD OPENING SERVICES INCLUDED:

- Blow off pool deck; remove, fold, and place cover in the on-site storage container (bag, box, etc.) and left poolside to dry.
- Install gauges, plugs and baskets; Remove winter plugs and gizmos; Startup pump and filter system.
- Pool coping, tile and pool surface will be brushed.
- Assemble ladders, rails and diving board. (If ladder wobbles it will not be installed). Add an initial dose of shock to water.
- *No Vacuuming or Leaf Removal is included in the Opening price.

POST-OPENING RECOMMENDATION:

It is our recommendation that the pool runs 48 hours prior to performing a computerized water analysis. This will give the water time to fully circulate and give you a more accurate reading of your water chemistry. It may take several days, or up to a week for your pool to clear after opening. Daily attention may be necessary during this period. Extra backwashing, brushing, filter run times, vacuuming, and chemicals could be required. Before the 48-hour mark, Banish and additional shock doses will be needed to kill algae and clarify cloudiness.

- Cozy Backyard Pools & Patio's, Inc. is not responsible or liable for present or future conditions of owner's pool and/or equipment. **Initial:** _____
